## Observations... From Around Town

(BY JAY WHOZIT)

Monday, March 1st marks the opening of the annual American Red Cross Fund Drive, and Hancock County's quota is \$5,047.00, less than 50c for each person in the County, so it is easy to see how this quota can not only be met but even surpassed in ONE DAY. . . this should be done because, as President Truman has said, "Many times a year the people turn to the Red Cross. Once a year the Red Cross turns to the people." . . so with this in mind, have your contribution ready when the collectors call, or better yet send it to headquarters at Arceneaux's Service Station . . . the Saint Stanislaus Band, under the direction of its capable director Brother Romuald, is working hard in preparation for a concert to be given sometime in April, and this is something for music lovers to look forward to . . . Bay St. Louis' newest and youngest airplane pilot is Anthony Trapani, Jr., who received his private pilot's license on February 19th. He soloed after 8 1/2 hours flying time, and hopes to make flying his career; congratulations and good flying, Jr. . . it has been said that a word to the wise is sufficient, that being the case, Postmaster Ford has asked that we pass the following information to the public, "Chain letters are against Postal Laws and Regulations—DON'T mail them" . . . Alden Mauffray, owner of Mauffray's Hardware Store, has announced that on or about March 10th, he will open a branch store on Railroad Avenue, near the C. & S. Grocery Store . . . congratulations Alden, and best wishes for continued success . . . many residents still remember in the not too distant past, when this section in the vicinity of the L. & N. station was one of the busiest parts of town, and it begins to look as if it is destined once again to be just that and even better . . . Brother Peter, St. Stanislaus, announces that he expects some 250 or more alumni to attend the annual mid-year banquet of the association, which will be held on March 7th at the St. Charles Hotel, in New Orleans, and at which time he will announce his plans for the future . . . among other improvements, plans call for the building of a new 20-foot steel pier, which will overpass the highway in front of the school, thereby eliminating the danger from boys crossing the road during school term . . . the pilot of the plane which crashed in Pearl River recently, was found this week, leaving just one more body, that of a young girl, supposed to have been in the plane, yet to be recovered . . . Mississippi's MBI (Mississippi Bureau of Investigation) is probably the only one of its kind in the country . . . the MBI was set up by Governor Fielding Wright, as a secret police force responsible only to the Governor himself, and came into being as the result of a major bus line strike last summer, and immediately achieved such splendid results that there is now a bill before the legislature to continue the MBI in a milder form indefinitely . . . the Regional Basketball Tournament is being held this week at the Bay High School gymnasium, and you'd be surprised to see how many hundreds of visitors from surrounding counties are brought to our town by these tournaments . . . be sure to attend the boxing match between Bay High and Stanislaus, at Bay High Gym, Monday, March 1st, may we suggest that some one loan the Mayor a safety pin to use on his watch pocket—well boys it happened the Mississippi Legislature will not consider the appropriation bill for aid to Hancock County for the restoration of the Beach Road—the Senate Finance Committee killed the measure—we may as well face the situation as it actually exists—if we are to have the restoration of the Beach Road we are going to have to foot the bill—we must have this road, it is the life line of Bay St. Louis-Waveland-Clermont Harbor and in fact the balance of the County. . . It is a problem for the officials of the County, City of Bay St. Louis and the Town of Waveland to work out with the cooperation of every person in the County—an opportunity for the boys in office to rise to greater heights—we need a Moses to lead us out of the dilemma which confronts us—who will be equal to the occasion.

## Bro. Macarius Buried Here Sunday Morning

Brother Macarius is dead. This simple sentence was an unexpected shock last Friday. Known and loved all over the South few knew of his last sickness and of the operation from which he failed to rally. He died at Hote Dieu Friday afternoon and was laid to rest in the Brothers' Cemetery Sunday morning following a Requiem Mass at St. Augustine's Church in New Orleans.

Brother 'Mac' as he was affectionately known was a former President of St. Stanislaus and had been here twice previous to that as Vice-President, besides a number of years as teacher.

He was born in Indianapolis, Indiana, in 1871 and entered the Order of the Brothers of the Sacred Heart in 1885. After completion of his studies, he taught in various schools of the Order and was chosen as Principal of St. Vincent's Academy in Baton Rouge while teaching at St. Stanislaus in 1913.

From then on he held the position of Principal in ten different schools in the Province. Twice he served two year terms as Vice President of Saint Stanislaus first from 1911 to 1913 under Brother Stanislaus and again in 1916-1918 under Brother Berchmans. In 1924 he succeeded Brother Lambert as President of the Bay College and held that post for two years. His last few years were spent in semi-retirement at St. Aloysius in New Orleans.

From 1919 to 1922 Brother Macarius was Provincial of the Order in the United States.

A poet, a lecturer, a scholar a master teacher and above all a great religious. Brother Macarius was the idol of his Order.

The memory of the kindly philosophy and the gracious manner of Brother Mac will be treasured for years in the hearts of thousands of men who as boys learned to know and to love this outstanding Catholic Educator.

Funeral services at the Cemetery were conducted by Father Edmond P. Desmond. Right Reverend Monsignor Geoffrey O'Connell, Pastor of Sacred Heart Church, Biloxi, attended the funeral services.

## Joseph Spence Dies In New Orleans— Buried at Logtown

Joseph John Spence died at the home of his daughter Mrs. Fred Stiller on Gentilly Road, New Orleans, on Saturday, February 21 at 4:45 p. m.

Mr. Spence was a native of Louisiana but had resided here for several years. He was associated with the H. Weston Lumber Co. at Logtown for 25 years. Following the death of his wife the former Miss Lou Tishy Broussard of Cottonport, La., he made his home with his daughter.

Funeral services were held here on Monday afternoon from the Fahey Funeral Home at 1:30 and the body was taken to Logtown for burial. Rev. John T. Dearing conducted the religious services and the Diamond Lodge F. and A. M. of Logtown participated in the services at Logtown. Acting as pallbearers were his three sons Robert, William and Jones Spence and his three nephews Otis, Carrol and Lee Spence.

Mr. Spence is survived by four daughters Mrs. Stiller, Mrs. Mattie Crawford, Mrs. Bill Griffith and Mrs. Hunter Waites all of New Orleans; three sons Robert and James Spence of Bay St. Louis and William Spence of Lakeshore. He also leaves 23 grandchildren and 7 great grandchildren.

—On Tuesday, March 2nd at 3:15 p. m. the regular monthly meeting of the St. Joseph Academy Parents' Club will be held in the School Library. Co-hostesses will be Mesdames A. L. Enterante and L. S. Elliott.

## CANDIDATE FOR MAYOR

WARREN CARVER

The Sea Coast Echo is authorized to announce the candidacy of Warren Carver for the office of Mayor of the City of Bay St. Louis, subject to the action of the Democratic Primary to be held in the City of Bay St. Louis for the nomination of City officers.

Mr. Carver's announcement follows: To the Qualified Electors of Bay St. Louis:

Please consider this as an official announcement of my candidacy for the office of Mayor of the municipality of Bay St. Louis. I am asking your support because I believe that my experience of five and one-half years as deputy Clerk of Courts of Hancock County, along with eight and one-half years as auditor for the State Auditing Department of Mississippi, gives me a thorough understanding of the problems of finance and taxation, and of other matters relating to municipal management.

No promise will be made by me that, if elected, any particular civic improvement or project will be begun immediately. What candidate could

be so rash as to promise the voters anything involving an immediate expenditure of money until such time as the true financial condition of the town can be determined? However, we are greatly in need of more paved streets, waterfront and beach development, better drainage, a sewerage system, better hospital facilities, a library building that will be a credit to the community, playgrounds for the children, a youth center.

Quite a bit of discussion goes on around town concerning the advisability of continuing under the present commission form of government. Some favor its continuance, some favor a return to the aldermanic system, while others speak of the city manager plan. All have their good points and their bad. This matter, it seems to me, should be left to the decision of the voters.

I assure you that your vote and influence will be deeply appreciated, and feel entirely confident that I can do the job well.

Respectfully submitted  
Warren Carver.

## Woodmen Circle Installs Officers At Meeting On Tuesday

At the regular meeting of the Supreme Forest Woodmen Circle held on Tuesday night at the K. C. Hall, the new officers for 1948 were installed. Mrs. Mary Boggs, state manager and national committee woman was the installing officer, assisted by Miss Leslie Brent, junior counselor.

The circle decided that the district meeting would be held in Bay St. Louis some time in April.

At the close of the business session refreshments were served and the members presented their president Mrs. Theo Tudury with a Rhinestone necklace in appreciation of her services as their president for the past few years.

## Miss Luvenia Bourgeois Victim of Traffic Accident

News from the bedside of Miss Luvenia Bourgeois who is in the Memorial Hospital at Gulfport are to the effect that she is showing improvement, and it may be possible to remove her to her home Saturday. Miss Bourgeois was the victim of a traffic accident on 13th, Street Gulfport, on February 17th, when the car in which she was riding was struck by a truck.

She suffered the loss of an eye, a fractured leg and a broken nose.

## College Bus May Be Used For Alumni Attending Banquet

A meeting and banquet of the St. Stanislaus Alumni Association will be held at the St. Charles Hotel at 6:30 p. m. on Sunday, March 7th. The price per plate will be \$5.00.

Those wishing to make reservations for the banquet should send a check to Brother Peter.

It has been suggested to Brother Peter that the college bus be used for the transportation in and out of New Orleans for the local members of the Alumni. If a sufficient number from Bay St. Louis plan to attend, and if they will notify Brother Peter and make the necessary reservations, it is possible that the bus may be used. However the use of the bus is contingent upon the number that will go from here.

If you plan on making the trip may we suggest that you contact Brother Peter and so advise him in order that he may reach a decision.

## Deputy Collector Internal Revenue To Be at Court- House March 3rd.

Deputy Collector of Internal Revenue, Howell L. Reed will be at the courthouse in Bay St. Louis on March 3rd, for the purpose of aiding taxpayers in the preparation of their 1947 income tax returns and declaration of estimated tax for the calendar year 1948, which are due March 15th., 1948.

## Body Of Third Victim Of Plane Crash Recovered

The body of George Dowles, Jr., pilot of the plane which crashed at the mouth of Pearl River on February 11th, as recovered Monday of Sheriff Burton D. Johnson and a group of searchers under his supervision.

The body was recovered at 10 a. m. about 200 feet northwest of the day beacon in the river mouth.

Mr. Dowles body was the third that has been recovered, following the plane crash, and Sheriff Johnson said that the party was dragging for the plane when the line struck an underwater object believed to be the plane, when the body rose to the surface.

The body of Miss Bruce Elmore a passenger in the plane is the only one that has not been recovered. All of the victims were residents of Columbus, Ga. The other two were Roy S. Martin Sr. wealthy theater owner and Miss Dorothy Robertson. The sunken plane has not been raised but its position is thought to be known by officials, who think that they struck it with drag lines Monday.

## Boy Scout Troop 217 Has Outing

On Sunday February 22nd, the Scouts of Troop 217 left the Scout House about 10:30 a. m. going to the former Bombing Range for the day's outing.

Arriving there about 11, the boys were divided into two groups. Group 1 under Assistant Scoutmaster Pete Benvenuti and Junior Assistant Scoutmaster C. J. Fayard. Group 2 under Scoutmaster Fred E. Fayard and Junior Scoutmaster Chas. Carter and Norton Haas Scout Patrol Leader in charge. Each group was assigned its duties.

A large fire was started in the open and when it had dwindled to ashes, the boys cooked their meal.

After dinner, a game of soft ball was played in which all boys took part. Later several games were played in the barracks, where fires had been lighted in the large stoves, earlier.

During the course of the day's activities, the boys made a 30 minute sightseeing tour and about three p. m. started for home.

Those included on the outing were Michael Haas, J. V. Morreale, A. J. Chinchic, N. Haas, F. Smith, Milton Cuevas, A. Scaffide, J. Scaffide, M. Cuevas, L. Noto, F. Cabel, H. Capdepon, L. Benvenuti, Clem Bon Temps, R. Heitzmann, Albert Piazza, James Seghers, E. Weigand, John Piazza and Larry Fayard, mascot.

## LETTERS FROM THE PEOPLE

Feb. 26, 1948

Sea Coast Echo,  
Bay St. Louis, Miss.

Dear Mr. Favre:

Will you kindly publish the following in "Letters From The People."

Heartiest congratulations to the Bay-Waveland Garden Club. The Heirloom Tea was an artistic triumph. It proved to be educational, instructive and delightfully entertaining.

\* Community the size of ours, should be justly proud of the many varied and valued heirlooms which were displayed with such exquisite taste on that occasion.

With the havoc and world-wide destruction caused by this last war, the preservation of beauty and the fine arts should become the duty of individual and community alike.

Let us treasure our priceless heirlooms and pass them on to future generations as part of their rightful heritage.

Cordially yours,  
Irma J. Kenney.

## Monday March 1st Opening Day Of Red Cross Drive

Effort Being Made To Put Drive Over On First Day—  
County Quota \$5047.00. Larger Than Last Year. All Are  
Asked to be Generous and to Make Contributions Monday

We never can tell when another disaster will strike Hancock County and leave in its wake injuries, loss of life, damage and loss in property amounting to thousands of dollars, similar to the hurricane of September 19th, 1947. If it should ever occur again, the Red Cross will be there with trained disaster workers and funds earmarked especially for disaster needs, as it was at the time that we needed them, during the past year.

In our county alone the Red Cross expended over \$200,000.00. But there were numerous other disasters in the United States in 1947. The Texas City fire, the Oklahoma-Texas Panhandle tornadoes, Midwestern Floods, Florida-Gulfoast hurricanes and Floods and the New England Forest Fires were listed as major catastrophes. A record breaking year of such major catastrophes has seriously depleted the disaster budget reserves of the American Red Cross to the extent of over \$9,000,000, over a ten-month period.

These reserves must be built against recurring disasters and it is for the people of this County to aid the Red Cross with their money to rebuild these reserves and for them to have sufficient money to carry on their local work.

The quota for Hancock County is \$5047.00, to be divided as follows: for the local chapter \$3727.00 and for the National Chapter \$1320.00.

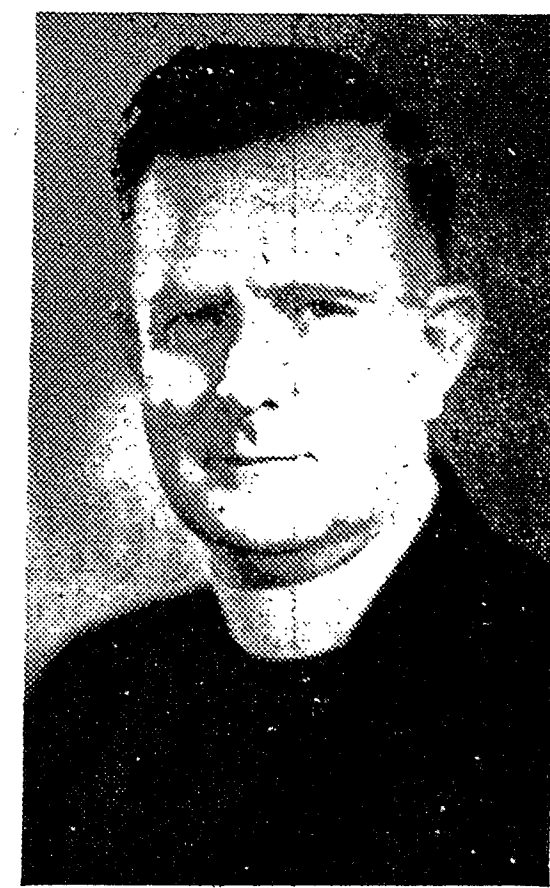

Are the people of Hancock County going to respond as they should and put the Red Cross drive over on the first day?

Next Monday, March 1st, will tell the tale. We will be able to tell the world that we appreciated the work when we were in need if we will join together and put the drive over Monday, and make it possible for the officials of the Hancock County Chapter to notify the National Red Cross Office that the job was done in one day, and that we are deeply grateful for the assistance rendered us in time of need.

Remember that the quota for the County is larger this year than it was last year, so stretch as far as you possibly can and make your contribution as large as possible.

Give until it hurts—We may again need the help of the American Red Cross.

## ON PROGRAM "RELIGION IN LIFE WEEK" AT MISS STATE

FATHER LEO F. FAHEY

Reverend Father Leo F. Fahey, Pastor of the Sacred Heart Church, Hattiesburg, and former assistant at Our Lady of the Gulf Church, will take part in the "Religion in Life Week" to be held at Mississippi State College, Starkville, Miss. February 29th., to March 4th. In addition to talks in the class rooms—

Father Fahey will appear on the Forum, Monday afternoon, "The Ultimate meaning of Life" led by the Right Reverend Duncan Gray.

Tuesday Evening he will take part in the Seminar on "Preparation for Marriage and Family Life."

Wednesday he will attend the Fellowship Luncheon at the Y. M. C. A. Banquet Room and will deliver the address for the occasion.

Wednesday Evening he will go to West Point, Miss., and address the Kiwanis Club during their "Ladies Night Banquet."

Father John T. Martin, formerly stationed at Bay St. Louis is now Chaplain at Mississippi State.

## Bishop Sherrill To Speak To Episcopalians 11:30 Sunday Morning

Will Appeal For The Raising of \$1,000,000.00—Presiding  
Bishop's Fund For World Relief in 1948—All Members  
of Church Urged to Attend 11 O'Clock Services, And  
To Be Generous With Their Gift to the Fund

On Monday morning, February 29th., at 11:30 a. m. Right Reverend Henry Knox Sherrill, Presiding Bishop of the Episcopal Church in the United States, will talk by Radio Network directly to all Episcopal Congregations in Parishes and Missions in the United States.

He will speak of the need of raising \$1,000,000.00 Presiding Bishop's fund for World Relief in 1948, which is hoped will be raised by a great Churchwide offering at this one service on Sunday morning, February 29th.

The Presiding Bishop's Fund for World Relief is the Episcopalians' part in a great cooperative organization. For economy of administration and for the prevention of duplication of effort, the Churches of America have joined together in an overall relief agency known as Church World Service Inc. The gifts to the Bishop's Fund are administered through Church World Service, and the Bishop and his committee designate the use of all funds.

The services at Christ Church will be at eleven o'clock, and a radio will be installed to receive the message of the Presiding Bishop at 11:30 a. m. and the broadcast will be received locally over station WSMB.

All members of the Episcopal Church are asked to attend the 11 o'clock services at their Church on next Sunday and to make their gift to the Bishop's Fund as generous as they possibly can.

## St. Stanislaus Band Will Give Concert

Brother Romuald, Director of the St. Stanislaus Band, is happy to announce that the group of young musicians of this organization are just about ready for their first concert of the year.

There has been much serious work done in the band room for the past few weeks. The band is shaping up nicely and in the very near future, this group of student musicians will offer a very interesting musical program to the people of Bay St. Louis.

Several amusing novelty numbers are being rehearsed and these should be greatly welcomed by all present at the concert. Of course, there will also be fine selections of semi-classical music. And, sure enough, there will be some of the popular hits also.

Look in this publication for further announcements of the concert. We do hope that our people will support this worthwhile school activity program by turning out in large numbers for the concert.

## Aged Treasures Of Every Kind And Description Shown At Heirloom Tea

Event Sponsored by Bay-Waveland Garden Club And Held at Home of Mr. and Mrs. Leo W. Seal

From four corners of the earth, through the centuries beginning with the Crusaders, treasures of every kind and description stood side by side at the Heirloom Tea. No matter where one's interest might lie there was something to be enjoyed.

In one corner men were seen browsing among books and documents, a two hundred year old book of Roman engravings, old Bibles, an old book of sheepskin written with

a goose quill during the 1700's, Spanish land grants dated 1792, slave sales, conveyance deeds of North Beach homes, oaths of allegiance and military orders of the Civil War period. . . and it was almost impossible to get a turn at the first issue of the Sea Coast Echo. Nearby were guns, knives, swords, sextants, pictures, samplers, brass copper and pewter pieces beer steins. The dining room was given over to

silver, china and glass and jewelry. Among the silver exhibits were can-labra, turnens, tea services, trays, christening cups, Apostle spoons, ladies and serving spoons, candle snuffers and toast racks.

There was an interesting group of American, French and English dinnerware and an especially beautiful setting of Crown Derby on a teacart. In another group were found Florentine wine pitchers, crystal decanters, goblets and tumblers, Cork and Waterford plates, American pattern glass, a cut glass punch bowl set and a pair of old hurricane globes.

A glass cabinet held a most elegant array of old jewelry . . . rings, earrings, bracelets, brooches, miniatures, veil pins, snuff boxes, watches and chains, garter buckles, trinket boxes in gold and silver with cameos, turquoise, topaz, coral, rubies, emeralds, jet. Outstanding was a family locket and crest ring belonging to the Earl of Dorchester, presently owned by a resident of our city. Here also was found the oldest entry in the exhibit, a Crusader's lamp dating back about the year 900 A. D.

The tinkle of an old fashioned music box could be heard throughout the house, but was found in the music room with other music boxes, rare old violins, one a two hundred year old Italian Guaranius generously loaned by a retired physician, music scores and albums, old dolls, a whatnot with bisque and porcelain pieces.

Two bedrooms held treasures of old finery, trousseaux apparel, a bride's dress and ribbons from her golden anniversary dated 1909, shawls of silk, jet and cashmere, christening robes, party dresses, laces, mantillas, shoes and hose.

homespun coverlets, quilts, the wedding trousseau of Spanish handwoven linen, worn by an early descendant of Juan Jose Cuevas.

The living room and hall held entries ranging from very old furniture to priceless figurines; Victorian parlor chairs, a fine old secretary, lamp tables, exquisite old lamps, clocks, mirrors, figurines of Chelsea, Italian, French, Dresden, Sevres, Bisque, Mojolica vases and bowls, an old Doulton pitcher, fans of ivory, sandalwood, lace, pearl, gilt jet, peacock feathers.

Surrounding the fireplace were bed-warmers and firescreens.

There were many interesting aspects of this exhibit aside from the antiquity of the articles. For instance quite by chance most of the known religions were represented; there was an angel figure from a Sixteenth century Italian Church, a two hundred year old Hebrew Sabbath light, an old Persian prayer bowl, an ivory Buddha, a child's bisque holy

## Congressman Colmer Heads Dixie Committee

Announces Appointment of Executive Committee Authorized by More Than 70 Southern Congressmen

Washington, D. C., February 22, 1948—Congressman Wm. M. Colmer, (D. Miss.) chairman of the Southern Group of Congress protesting the President's Civil Rights Program, today announced the appointment of the executive committee, authorized by more than 70 Southern Congressmen, as follows: Oren Harris, (D. Ark.), Secretary; Sam Hobbs, (D. Ala.); Robert L. F. Sikes, (D. Fla.); E. E. Cox, (D. Ga.); Noble J. Gregory, (D. Ky.); Henry D. Larcade, Jr., (D. La.); J. Bayard Clark, (D. N. C.); James P. Richards, (D. S. C.); Tom Murray, (D. Tenn.); Ed Gossett, (D. Texas); Howard W. Smith, (D. Va.).

By virtue of the conference's action Chairman Colmer will serve as chairman of the executive committee and Congressman Oren Harris will serve as Secretary.

In announcing the committee, Mr. Colmer said, "The purpose of the committee would be threefold:

1. It would serve as a strategy committee for the Southern Group and all other members of the House who are opposed to this vicious and "Unconstitutional" legislation, if and when it or any part of it were brought up in that body.

2. It would either in cooperation with the Governor's Conference Committee or upon its own initiative serve notice on the Democratic Party leaders that the inclusion of the President's Civil Rights Proposals in the party platform or the continued advocacy of such or similar proposals would definitely jeopardize the party's success in that bulwark of Democracy's strength—the Southland."

Chairman Colmer further added, "It is my positive conviction that the boys from the South are in dead water font. Many other entries could be grouped to tell their own story, it was indeed a wondrous display of treasure trove.

The mellow grace of the Seal home offered the perfect setting for this exhibit and the warm hospitality of the Garden Club members who served Russian tea presented an opportunity for happy reminiscing to those who were so fortunate as to brave the inclement weather.

earnest and will fight to the finish this type of doctrine by its party leaders."

While the committee proposes to cooperate with the Southern Governors' Conference Committee, the chairman made it plain that its action would not be confined to that alone.

"We love our party," said Mr. Colmer, "but we love our country more and the love of country should always transcend the loyalty to party."

The executive committee has been called to meet on Monday morning at 10 o'clock for the discussion of these and other plans for the future.

## Funeral Services For Miss Rita Nunez In New Orleans

Miss Rita Nunez, daughter of the late Mrs. Leonie Molero and Theophile Nunez, died at her home on Wednesday, February 25, at 11:45 a. m. after a long illness.

Miss Nunez was a native of Reggio, St. Bernard Parish, La., and a resident of Bay St. Louis for the past 25 years.

The remains were taken to New Orleans Wednesday afternoon.

Funeral services were held from Tharp-Sontheimer-Tharp Funeral Home at 10:00 a. m. Thursday, February 26, with services at Our Lady of the Holy Rosary Church on Esplanade Avenue. Burial was in the family plot in St. Louis Cemetery, No. 3.

Miss Nunez is survived by two sisters Mrs. Joseph Gilbert, Sr., and Mrs. Camille Webster and two nieces Mrs. George Stevenson and Mrs. Alvan Weinberg of Bay St. Louis.

Miss Nunez was on the staff of the Bay High Lunch Room some years ago and more recently with the St. Margaret's Daughters' lunch-room.

Bay Hi Girls, Sellers Boys Crowned County  
Basketball Champs In Tournament

Leetown Girls, Dedeaux Boys Junior Champs

The Hancock County Basketball Tournament ended Saturday night in a blaze of glory for the winners, glum disappointment for the losers, and four fine basketball games for the 1500 wildly shouting fans. The games of this tournament were probably the best in many years, many games being in doubt until the final whistle.

The Sellers boys waded through St. Stanislaus, Bay High and Dedeaux to take the crown. In wading through the Rocks, Sellers was almost drowned by a big wave but they managed to win 30-29 in the last few seconds of play.

In the championship game between Sellers and Dedeaux, the lead swapped hands seven times by one point. At halftime Dedeaux was leading 24-23 with the victory being in doubt until the last 30 seconds. There was just too much Ladner for Dedeaux to handle, Sellers starting the game with four Ladners and one Shaw. W. Ladner of Sellers was high scorer with 16 points. The County Champs will cause plenty of trouble in this week's regional play.

Bay High Girls thrilled local fans by whacking Sellers 37-27 to take top honors among the girls. The local girls played inspired ball in beating S. J. A., Dedeaux and Sellers, but S. J. A. came within one goal of upsetting them.

The Tigerettes entered the tournament as favorites and upheld their fine record made during the regular season. Johnston, Bay Hi Captain, scored more points than the Sellers team. Her total of 29 points in this game was high for this tournament, and probably several more.

### St. Stanislaus-Bay High Boxing Teams Meet Monday Night

Monday night, March 1 is a big day for those who love high school sports and fine clean contests between teen-age youngsters. On this night the Tigers of Bay Hi and the Rockchaws of St. Stanislaus meet each other in a boxing match, the first regularly scheduled contest between the schools in many years.

This match can be the beginning of a long and successful athletic relationship for Bay St. Louis to witness and it can also be the end for all time.

A small group of men—not students—organized into a closely knit gang of hoodlums, could easily start something that could be disastrous.

A small group of students, with the "Real McCoy" flowing through their veins, can show their disdain for trouble makers in many ways, and through silence and stares make any out-of-liner ashamed.

An now I give you an old American proverb that dates all the way back to February 28, 1948—"A rabble rouser will start your fight, hold your coat, wipe blood from your face, and sympathize for hours; but for some unknown reason he never gets hurt in his fight."

### State Boxing Tournament Assured For Bay St. Louis

The Mississippi High School Boxing Tournament is a cinch for Bay St. Louis, and will be held in Bay High gym on March 12 and 13.

The coast missed the round of bouts last year, with Belzoni playing host. From all accounts, the tourney was not too successful. High school boxing just hasn't caught on up-state it seems.

The Tournament this year will show such teams as St. Stanislaus, Bay High, Biloxi, G. C. M. A. and Hattiesburg Demonstration. There should be about 65 boys entered, with plenty of fights for everyone.

### Regional Cage Tournament Here This Week

The Gulfcoast Regional Tournament started in Bay High gym this Wednesday and will continue through Saturday night.

The runnups and County champions only will be seen in this meet, and fine ball is the main course and dessert. Picayune Boys entered as top heavy favorites, while sentiment for the girls is divided three ways between Bay Hi, Picayune and Woolmarket.

### TEN BOUTS CARDED FOR BAY HIGH-STANISLAUS

On Monday night, March 1, first fans of Bay St. Louis will see 10 fine bouts on the Tiger-Rock program. The bouts are as follows:

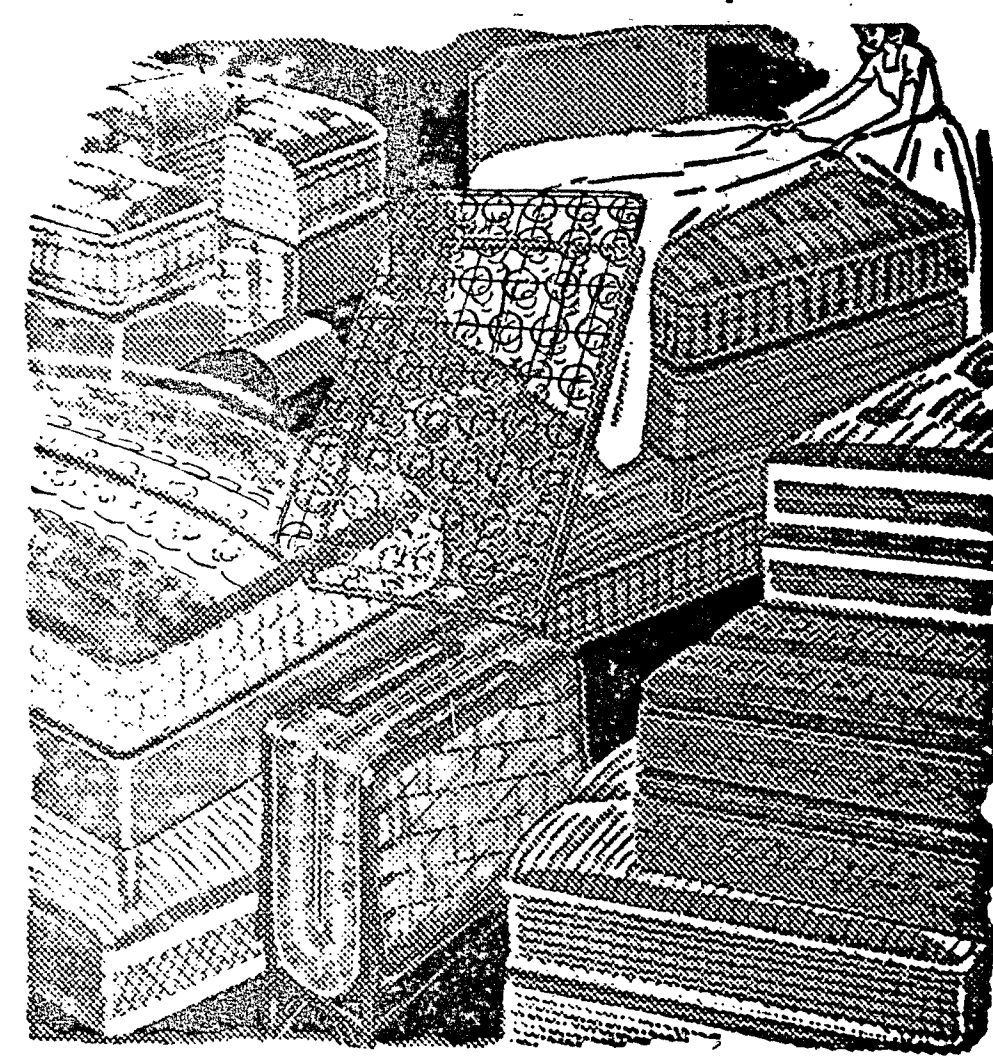

Stanislaus	Bay High
Curran—65 lbs.	Randolph
Keiffer—70 lbs.	Cole
Schwartz—90 lbs.	Garcia
Capdepon—95 lbs.	Poyadou
Piazza—100 lbs.	McArthur
Curet—106 lbs.	R. Morel
Mills—110 lbs.	Noto
Morreale—114 lbs.	Price
La Bruzzo—118 lbs.	Colson
Fayard—130 lbs.	Schultz

### Severan Bourgeois Buried Sunday

Severan Bourgeois, 60 years old, resident of North Bay St. Louis died on Saturday and his funeral was held on Sunday from the Fahey Funeral Home with the rites of the Catholic church the Rev. Father Fox officiating. Interment was in St. Mary's cemetery.

Acting as pallbearers were Cyril Carvin, Leonard Guidry, Ray Guidry, Frank Duvic, Tony Pons, and Henry Favre.

### COUNTY'S RURAL PROPERTY SHOWS HUGE VALUATION

Farm property in Hancock County is now worth more than \$1,279,000 and rural homes here and throughout the state are in the best condition in history, according to a report just released by the Title Council of America.

More than 75 per cent of farm dwellings in Mississippi and the South are in excellent condition or need only such minor repairs as painting or general maintenance, the report revealed. Only 61.1 per cent were in good repair in 1940. The report was based on Bureau of Census surveys.

"The rise in farm incomes and property values since 1940 has been accompanied by a great increase in the number of rural homes equipped with such modern conveniences as electric lights, tiled baths and show-

ers and running water," said F. B. Ortman, chairman of the Council's residential construction committee. Electricity for instance, has gone into hundreds of thousands of the nation's rural dwellings since 1940, Ortman noted. More than 59 per cent of all farm homes now have electric lights, in contrast to 31.3 per cent in 1940.

More than 32 per cent of rural dwellings in the United States today have running water and 20.1 per cent have private baths, according to the Title Council report. In 1940, 17.7 per cent had running water and only 10.6 per cent private baths.

### Rev. John T. Dearing Addresses Rotary Club

Rev. John T. Dearing, Pastor, First Baptist Church addressed the Bay St. Louis Rotary Club at its regular weekly luncheon meeting on Wednesday at Hotel Reed.

Mr. Dearing spoke on "Rotary" and magnified the aims and objectives of Rotary and how these could be applied to private and business life of each Rotarian. He said that there was nothing in the principles of Rotary to interfere with a man's citizenship or religion and when one adheres to the service above self principles it came back to them in great measure.

There was once a farmer Mr. Dearing said, who had on his farm a pond and running through the farm was a brook. The pond, when dry weather came dried up, but the brook flowed on, giving of itself. This is likened to the selfish and unselfish persons. One drying up and the unselfish person continuing to give and to receive renewed vigor each day. Mr. Dearing closed with "He, who serves best profits most."

HOW MISSISSIPPI INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

### THIS IS A Paper WORLD

Natural resources made the pulp and paper industries possible in Mississippi. The forests, the water, the chemicals, the natural gas. But none of these would be worth a cent unless they were put to use... for the benefit of mankind.

Take natural gas, for example. Stored deep in the earth, natural gas is a worthless resource. But it becomes valuable when it is gathered, processed and moved to market where it can be used as a convenient, inexpensive fuel. This is the function of the United Gas companies—to give value to a natural resource that would otherwise be worthless or wasted. This is practical conservation, for it stimulates industrial development, creates jobs, and benefits all the families in Mississippi.

### PULP AND PAPER

The 11 pulp and paper establishments operating in Mississippi during the year of 1945 employed almost 5,000 persons with payrolls in excess of \$8,500,000. The industry's production during this period was valued at \$33,599,000.

### Sam Banks of Fenton Fatally Shot by a Cousin

Sam Banks, of Fenton, was shot and fatally wounded on Sunday afternoon, February 15th., about 2:30 o'clock, by a cousin Mrs. L. J. Bourg.

Mr. and Mrs. Bourg, it appears came out from New Orleans, and visited members of the Faye family, on Rotten Bayou, relative of both parties and when preparing to leave, encountered the deceased. An argument relative to the ownership of certain lands ensued, and then the shooting took place. The details of which are only meager and not all available at this time.

Mrs. Bourg was arrested by Sheriff B. D. Johnson, and was detained at Hotel Reed on Sunday, under guard, for a hearing before Justice of the Peace Frutos Fuente at Kiln, on Monday. Following the hearing Judge Fuente bound Mrs. Bourg over to the action of the Hancock County Grand Jury under a bond of \$4000.00.

### Intruder Captured By Officers at Ace Bar And Grill

Tuesday night, Sheriff Johnson and Constable Gerald Price were called shortly after midnight to the Ace Bar & Grill where it was reported that a robbery was taking place.

Mr. Price reached the scene first and hearing a noise in the place started to the back and about that time a man rushed out from the rear entrance. He was called upon to stop and when he didn't Mr. Price shot at him. The bullet did not strike the intruder but it brought him to a stop and he surrendered. He was identified as Harry Thomas Williams. The officer took a 44 caliber pistol off the prisoner.

### EXTREMISTS

You find folks who go off the deep end of everything. Some eat too much. Others go on too lean a diet. Some folks play too much and neglect their jobs. Others work too hard and endanger their health. And, there are some who would prohibit your enjoying a cool glass of legal beer. Of course, there are those who will abuse any privilege.

I'm always thankful for the great majority of in-the-middle-folks who keep their feet on solid ground and who have tolerance and temperance in their souls.

These folks, I know, appreciate the job W. W. Pierce, Di-

rector of the Mississippi Committee of the U. S. Brewers Foundation, is doing through education and regulation where-ever the sale of beer is legal.

He sees to it that those who sell beer obey the letter and the spirit of the law and observe the rules of decency. The few extremists who refuse to cooperate lose their beer permits. From where I sit, the brewing industry has a good ole horse-sense program that appeals to all as temperate, non-extremists folks.

## Veterans' News

Only veterans taking full-time courses in schools or colleges will be entitled to increased subsistence allowances under a law signed February 14 by the President, the Veterans Administration has announced.

Veterans taking any of the following types of training are not entitled to the increase, but will continue to receive subsistence at the old rates of \$65 monthly for those without dependents and \$90 for those with dependents:

1. Institutional on-the-farm training and part-time institutional training.
2. On-the-job training or apprenticeships.
3. Combination training in which students attend school part time and are employed part time, usually in a related field.
4. Internship and residency training and graduate training under a Fellowship requiring a reduced credit course-load because of services rendered under provisions of the Fellowship.

Eligible veterans now in school who are entitled to \$75 (no dependents) or \$105 (one dependent) will not have to apply for the increase. VA, requesting that these veterans not write, said it had sufficient information to make automatic increases.

However, veterans entitled to \$120 a month because they have more than one dependent, will be required to submit evidence of their additional dependents before the increased payments can be made. For dependent children photostats or certified birth certificate copies will be necessary. For dependent parents, evidence of actual dependency must be submitted. If veterans now training submit evidence prior to July 1, 1948, they will receive retroactive payments at the new rates back to April 1, 1948.

The higher rates are applicable after April 1. However, since subsistence allowance checks are not due until the end of the month in which the veteran is in training most of the eligible veteran-students will receive their first checks at the higher rates on or shortly after May 1, VA said.

### QUESTIONS & ANSWERS

Q—I am a World War II veteran and would like to know how much an attorney who represents me in my claim for compensation or pension against the Veterans Administration is permitted to charge?

A—If the attorney is admitted to practice before the VA he may receive \$10 in an original claim or \$2 in a claim for increase in compensation or pension, provided the claim is allowed. These fees are paid by VA and deducted from the monetary benefit awarded the claimant.

Q—I have been granted admission to a Veterans Administration domiciliary home and now would like to know if it possible for me to take my wife with me to stay at the Home?

A—No. The law does not permit the wives of servicemen to be admitted to any domiciliary home of

the Veterans Administration.

Q—How do I calculate the period of eligibility time consumed while I am taking a correspondence course under the G-1 Bill?

A—One-fourth of the lapsed time in following your correspondence course will be charged against your period of entitlement.

### TEACHERS TO MEET IN JACKSON MARCH 17, 18, 19

Jackson, Miss., February 21 (Special)—The Annual Convention of the Mississippi Educational Association will be held in the Heidelberg Hotel in Jackson on March 17, 18 and 19. The Delegate Assembly will meet Wednesday afternoon from 2 p. m. to 5 p. m. in the Victory Room of the Heidelberg Hotel. The first General Assembly will be held on Thursday evening in the Municipal Auditorium and the final General Assembly will convene in the auditorium of Central High School on Friday evening. On Thursday and Friday sectional meetings of the various groups of teachers will be held at places indicated on the detailed program of announcements.

J. M. Tubb, State Superintendent of Education, in calling attention to the forthcoming Convention of the M. E. A., urges county and separate school district superintendents to arrange, if possible, for the teachers in their school system to attend the convention. This is the outstanding meeting of the teachers of Mississippi and Mr. Tubb believes that the professional, as well as social benefits, obtained from attendance at this convention are very many and helpful. An excellent program has been arranged by the committee. Outstanding speakers have been secured including Dr. Francis P. Gaines, President of Washington and Lee University, Lexington, Virginia, and Dr. W. M. Osterberg, Superintendent of City Schools, Coffeyville, Kansas.

### MISSISSIPPI RANKS FIFTH WITH TREE FARMS IN SOUTH

Washington, D. C., Feb. 26—Mississippi with 290,610 Tree Farm acres ranks fifth among nine southern states, according to figures released today by J. C. McClellan, assistant forester, American Forest Products Industries.

With a total of 167 Tree Farms Mississippi has made progress since it launched the system in November 1944. The program is sponsored by the Mississippi Forestry and Chemurgic Association in cooperation with the Southern Pine Association. It is a part of the nationwide Tree Farm system promoted by the American Forest Products Industries.

In the south are 1,105 Tree Farms totaling 9,396,345 acres. The other state totals are: Arkansas with 3,009,843; Texas with 2,401,811; Alabama with 2,096,813; Florida with 923,797; Tennessee with 257,164; North Carolina with 255,283; South Carolina with 119,285; and Virginia with 41,749.

Nationally, more than 14,900,000 acres are enrolled in this program to encourage production of trees as a crop.

It was quite interesting to note the crowd that was on hand to greet the King and Queen of the Carnival on Mardi Gras Day. It has been a long time since Bay St. Louis has witnessed such a gathering. The picture above was taken at the intersection of Main and Second Streets. This represents only a part of the immense crowd that was out for the occasion. Throughout its route many people witnessed the parade and were amazed at the splendid work that had been accomplished in so little time.

### THIRTEEN S. J. A. STUDENTS ATTEND 5TH ANNUAL CHORAL CLINIC IN BILOXI

Thirteen students from St. Joseph Academy attended the fifth annual Coast Choral Clinic held this year at the Biloxi High School, on Friday and Saturday, February 20 and 21.

The girls thoroughly enjoyed the two days spent at the clinic.

Mr. William Ducrest, Glee Club Director and Voice Instructor at Southwestern Institute, Lafayette, La., proved a most efficient conductor and his pleasing personality won the hearts of the choral clinic students from the very start.

That Mr. Ducrest could get results was fully attested by those who attended the concert which took place in the Biloxi High School auditorium at 8:00 p. m. Saturday. The selections sung by the mixed chorus of 120 voices as well as those rendered by the separate girls and boys chorus were particularly lovely. There were also four solos on the program sung by representatives from Pacagoula, Gulfport and Biloxi High schools.

Marcia Robinson, was S. J. A.'s representative as soprano soloist at the clinic. She sang "Cradle Song" by Goddard and was given an excellent rating.

The following girls from S. J. A. attended the clinic:

Joan Elliot, Susan Smith, Marie Shaw, Rita Mae Scafide, Margalo Damborino, Doris Arnold, Mary Lou

Scafide, Jackie, LaNasa, Elma Abimari, Dorothy Garcia, Marcia Robinson, Jeanne Turpen and Jeannette Rodriguez.

They were accompanied by Sister M. Antoinette and Sister Louise Raphael.

S. J. A. and the girls who attended the choral clinic wish to express their thanks to the following who were instrumental in providing transportation to the clinic: Brother Romuald, Mrs. Clara Greenwald, Mr. and Mrs. Damborino and Gaynel Gex.

### GASPAR MAURIGI, SR., CELEBRATES 70TH BIRTHDAY

Celebrating his 70th birthday which fell on Friday, February 20th., Gaspar Maurigi, Sr., was guest of honor at dinner on Sunday February 22.

In the afternoon a birthday cake was cut and served with ice cream.

Present for the occasion were Miss Mary Maurigi, Russell Maurigi, Mr. and Mrs. Manuel Maurigi, Mr. and Mrs. Melius Rhodes, Mr. and Mrs. Gaspar Maurigi, Jr., and all of Mr. Maurigi's grandchildren.

### LEROY NECAISE, JR., HAS BIRTHDAY PARTY

Little Leroy Necaize, Jr., celebrated his seventh birthday last week. A few of his little friends spent the afternoon with him at the home of his parents on Sycamore St. where they had a pleasant afternoon enjoying the games, a birthday cake and refreshments.

## Lady Of Fatima Statue To Be Enshrined At Seminary Chapel March 3rd

May Be Venerated At Any Time After 4 O'Clock—Marian Hour at 7:30 P. M., To Which Public Is Invited

The Replica of the original statue of Our Lady of Fatima, Portugal will be enshrined at St. Augustine Seminary chapel, on Wednesday, March 3, where services will be held. The statue may be venerated at any time after 4 o'clock. There will also be a Marian Hour at 7:30 p. m. which the public is invited to attend. The veneration of the statue of Our Lady of Fatima is in accordance with the approval of the Most Rev. Richard O. Gerow, Bishop of Natchez, Miss.

After the veneration of the statue of Fatima at St. Augustine's Seminary, it will be taken the next morning to Lafayette, La.

Since we are not able to go to Fatima, the hierarchy has brought the statue of Our Lady to this country, so that thousands may have the opportunity of honoring and paying their respects to the Virgin.

The Pilgrim Virgin statue has already been in many states, where thousands gathered to honor her. The statue is now passing through the South. Each diocese is inviting and receiving the statue separately.

The statue (accompanied by Msgr. Galaba de Oliveria, vicar of the Bishop of Fatima) arrived at LaGuardia airport on October 17, 1947. Since then it has been in Canada, and is now passing through the South, and other parts of the United States.

Wherever the statue goes great crowds gathered in veneration. It would be almost impossible to estimate the crowds accurately. Many persons have travelled hundreds of miles to be present at these gatherings.

It is said that either at Soldier's Field, in Chicago, or at some other place in the central section of the country, there will be a special reception of the statue reproducing the actual ceremonies of Fatima next

summer. The Bishop of Fatima himself has been invited for the occasion. This reception will climax the tour of the Pilgrim Virgin in the United States. Shortly thereafter it will make a visit, by plane, of the principal cities of South America, Hawaii, and the Philippines, and it is hoped that Our Lady may be finally placed in a Catholic Church in Vladivostok, Russia, by the end of the year.

### Father Fahey On Program At Vicksburg Banquet

"The annual Inter-Faith Brotherhood Banquet was held Monday night at the Carr Central Cafeteria in Vicksburg, Miss. with speakers from the Jewish, the Catholic and the Protestant faiths on the program.

Rev. D. Swan Haworth, pastor of the First Baptist Church in Vicksburg as chairman of arrangements, with representatives of other congregations helping to coordinate the plans.

The speakers on the program were Rabbi Abba Fineberg of Natchez, Bishop Duncan Grey of the Mississippi Episcopal Diocese and Father Leo Fahey of Sacred Heart Church, Hattiesburg, Miss. Father Fahey took part in the program at the invitation of Monsignor D. J. O'Beirne, Pastor of St. Paul's Church, Vicksburg, and was the guest of the Monsignor during his stay in the Hill City.

Mrs. Dorothy Dennis, Pass Christian, entertained at the Pink Cottage on Saturday afternoon at a cocktail party. Those attending from Bay St. Louis were Mr. and Mrs. C. D. Blair, Mrs. Robert Phillips, sister of Mrs. Blair, Mr. and Mrs. S. E. Tucker and Wade Nowlin, brother of Mrs. Tucker.

## Figures Don't Lie

With only 6% of the world's land area and 7% of the world's population, how has the United States been able to create more new wealth than all the rest of the two billion people on earth put together?

The people of the United States own:

- 85% of the world's automobiles
- 60% of the life insurance policies
- 54% of the telephones
- 48% of the radio sets
- 46% of the electric power capacity
- 35% of the world's railway mileage
- 30% of the improved highways
- 92% of the modern bathtubs

We also have more churches, more schools, more libraries, more hospitals and more recreational facilities in the United States. Before the war, Americans consumed 75% of the world's supply of silk, 60% of its rubber and 50% of its coffee.

And nowhere else on earth and at no other time in all history, has the wealth of a people been more widely distributed than in our own country.

What is the secret of this amazing success? How have we accomplished so much in the short time we have occupied this continent?

Our formula has never been a secret. Men and money put to work have made America. Men and women have been free here to give full expression to their energy, their vision and their genius. Production and thrift redeemed a wilderness and formed an empire.

It is not the American system that is on trial. It has proved itself. And wherever freedom, frugality and industry go hand-in-hand, prosperity and happiness always follow.

And never have we needed more than we need today the tried and proven, good old American fundamentals. With a staggering national debt, we need economy in government. With the threat of inflation, we need increased production. And in our plans for the future, we need more thrift.

### ORTTE THEATRE PRESENTS SUNDAY & MONDAY "DESIRE ME"

Greer Garson And  
Robert Mitchum

Once again Greer Garson clinches her title for the Screen's First Lady with her distinguished playing of a powerful emotional role in "Desire Me," the exciting M-G-M drama to be shown at the Ortte Theatre, Sunday and Monday.

In one of the most touching and poignant portrayals of her career, Miss Garson essays the role of Marise, a French girl in a small fishing village, who mourns the soldier husband Paul, who has been announced as being dead. When she is abruptly confronted by a stranger, Jean Renaud, who is determined to fill the void left by Paul and who fascinates Marise by his knowledge of the most intimate details of her married life the dramatic impact of a turbulent plot first makes itself apparent.

It is not long before Marise discovers that Jean had been a fellow prisoner of her husband, and that the latter had revealed so much about herself to him that Jean came to feel that she should belong to him. As events are precipitated, Marise comes to return the magnetic appeal of the deceptionist only to face the shock of the return of Paul, very much alive. After a desperate knife and gun fight in a fog, Marise is confronted with the gravest problem of her life. This review will not give away the surprise finish but it can be said that the interest and suspense is held to the very end.

In a difficult role, Miss Garson gives a stark and effective portrayal of a woman caught in a tense dilemma. Her every gesture and voice inflection are right and she is always completely persuasive. The star has top support in the work of Robert Mitchum as Paul and Richard Hart as the interloper, Jean Hart, fresh from his New York stage triumph, should find equal success on the screen. He is A-1 material.

## Southern Forestry Notes

The November issue of the Southern Forest Experiment Station Notes contains several items that should be of considerable interest to the farmers and land owners of Hancock County.

The Station has a 40 acre plot of land near Crossett, Arkansas. Each year they cut off the land in mature timber the amount that the entire number of trees have grown.

The tenth annual cut has just been made on the Farm Forestry Forty of the Crossett Experiment Forest. The harvest was 11,661 bd. ft. (Doy) of logs, 7.8 standard cords of pulpwood and 17.43 of fuelwood, and 25 fence posts. As stumpage this wood was worth \$237.00; cut and delivered to the market, \$661.00.

Since management began in 1937, the Forty has yielded 122,197 bd. ft. of sawlogs, 281 cords of pulpwood, 171 cords of fuelwood, and 313 fence posts. These products had a stumpage value of \$1,741.46. Total delivered value was three times as much, \$5,944.62. Per acre per year.

1% Cost per 9-inch tree taken as 100 percent.

Costs are relatively high for small trees chiefly because more sticks are handled per cord. Cost increase also in the larger sizes because large, heavy bolts are hard to handle. A 12-inch tree (d. b. h.) has the largest realization value.—W. E. Bond.

## SHEEP GRAZING

During a recent 2-year test in South Mississippi, sheep damaged—chiefly by browsing terminal buds—86% of all long-leaf seedlings under 4 feet tall. The experiment was made in natural stands of longleaf

seedlings growing within a 1300 acre fenced pasture grazed by 100 sheep. Stocking on the test plots was 1442 seedlings per acre between 2 inch and 48 inches high. All such seedlings were inspected were inspected monthly.

The test showed that seedlings with white woolly buds at least 0.4 inches long are very susceptible to injury. In a stand about to commence height growth, such seedlings are, of course, the very ones most likely to grow into crop trees. Dur-

ing 2 years of continuous grazing, the sheep injured 1245 seedlings per acre; 1286 terminal buds per acre were browsed each year. More than 50 percent of the injured seedlings were browsed two or more times during the period of the test. It is not surprising, then, that total height growth on the grazed plots during these 2 years was 25% less than on the grazed check plots. Although only 4.6% of the seedlings in the grazed plots as against 2.3% on the ungrazed check plots, more than 15% of the injured seedlings appear to be permanently deformed and will not make suitable crop trees if they live.

The main browsing damage occurs in winter and early spring. This seasonal trend undoubtedly relates to the supply of the white, candle-like buds, which is at a low point in summer, and to the fact that succulent weed and grass forage is most abundant in spring and early summer. But enough buds are nipped even in summer to show a need for yearlong protection sheep grazing in longleaf seedling stands under 48 inches high.—Wm. F. Mann, Jr.

All the above data and research was compiled by the U. S. Southern Forest Experiment Station with headquarters in the Federal Building, New Orleans, Louisiana.

## ABOUT PEOPLE YOU KNOW

Mrs. Mildred E. Stiers—Last week announcement was made by the Mississippi Congress of Parents and Teachers of the appointment of Mrs. Mildred Ellzey Stiers as field representative.

Mrs. Lula Jones—Appointment of Mrs. Lula Jones of Marks, to the state teacher retirement board, has been announced by Governor Wright. Miss Jones is immediate past president of the Mississippi Education Association.

Judge T. Weber Wilson—One of Mississippi's famous orators and statesmen, T. Weber Wilson, died Saturday at his sister's home in Coldwater, Miss. He was 55 years of age. Judge Wilson retired last September after 25 years of public service. He served as Congressman, Federal judge in the Virgin Islands, and as chairman of the Federal Parole Board.

When any one has offended me, I try to raise my soul so high that the offense cannot reach it. —Descartes.

## MECHANICAL TREE PLANTER DEMONSTRATION

A very interesting demonstration of mechanical tree planting was held recently by the International Paper Company, on their lands on Mulatto Bayou. Those witnessing the demonstration are, from left to right: D. E. Landrum, soil conservation specialist; Chas. C. Stone, County Agent; Sam Whitfield, J. L. Bishop, Soil Conservation Agent; A. W. Mauldin, R. S. Andrews, J. H. Laird, P. N. Howell, L. Dantzier, A. J. Franklin, and F. E. Amisler, Milton Stoufflet is the planter and Leonard White the tractor operator.

## THEIR HOPE

## Is the Red Cross...

When flood, fire or tornado ravages the land the Red Cross stands ready to stem the tide, soothe the scars and succor the pangs of suffering... Now Ready your Dollars—to help the Red Cross help humanity wherever and whenever it is needed.

You remember the Wartime Blood Program of the Red Cross. Many still live today only because of it. Now Ready your Dollars to help expand a new Red Cross National Blood program so that ultimately ALL who need blood may have it and its derivatives freely.

Veterans successfully face many critical problems thanks to the Red Cross Aid; the misery of the ailing soothed, and accident emergencies are met because the Red Cross prepared the way. So now Ready your Dollars to help the Red Cross, comfort, sustain, and restore

### BAY HI RINGSTERS DEFEAT BILOXI; LOSE TO WHITE CASTLE

Mumps and "flu" combined forces to give local fight fans two short cards in a row. Due to the sick list, the fight with Biloxi showed seven bouts and only six could be carded

Monday night the fans should receive their reward when the Tigers and Rocks meet. Here is hoping a fine, well matched card can be worked out.

Bay High 4½-Biloxi 2½

70 lbs. Randolph, Bay Hi drew with Kopska.

75 lbs.-Cospelich, Bay Hi, lost to Vuyvoich.

100 lbs.-Poyadou, Bay Hi, won over Savoy.

105 lbs.-McArthur, Bay Hi, drew with Helveston.

114 lbs.-Price, Bay Hi, won over Chatagnier.

116 lbs.-Colson, Bay Hi, won over Ward.

165 lbs.-Favre, Bay Hi, drew with Camp.

The score wound up Bay High 4½, Biloxi 2½, with several winners on the home card who lost in Biloxi.

K. O. artist, was defeated by Ward in Biloxi, but on his home grounds gave the visitor a pummeling he will long remember.

Bay High 2½-White Castle 3½.

65 lbs.-Ray Morel, Bay Hi drew with Dugan.

75 lbs.-Cole, Bay Hi, lost to Olan.

90 lbs.-Garcia, Bay Hi, lost to Doiron.

105 lbs.-Rudy Morel, Bay Hi, won over LeBlanc.

112 lbs.-Price, Bay Hi, won over Gomez.

130 lbs.-Schultz, Bay Hi, lost to Landry.

Rudy Morel, rapidly turning into a veritable buzz-saw, in the ring, dispatched his opponent via the TKO route in the second round. Rudy, tall and with plenty of reach, is really beginning to outclass most of his opponents.

Donald Cole, first year man, is showing more improvement than any other Tiger fighter.

The next local matches are between Bay Hi and St. Stanislaus on Monday night, March 1.

**DRIPPINGS FROM THE GRAVY BOWL**

Folks, look at the Leetown Junior Boys box score. There is a foreigner in their midst by the name of Trash. He is bound to be good to make a team with four Lee's and he proved it by scoring 13 points against Dedeaux in the finals.

Dedeaux take notice: Sellers just plainly out-Ladnered your team in the County finals. They had four to your two.

Keen rivalry mounting to the point of enmity during the regular season was forgotten during the Sellers-Dedeaux game. Both teams played hard but fair ball, and not one boy on the court tried a dirty trick.

Wonder if Bay Hi captain Betty Lou Johnston set any kind of local record when she scored 29 points in the finals with Sellers. That was 2 more points than the opposition scored.

### AWARDED FIRST PRIZE

Carl Thibaux was awarded the first prize of the mounted maskers group. He is a student at Bay High and the son of Mr. and Mrs. Wilmer Thibaux.

### AWARDED THIRD PRIZE

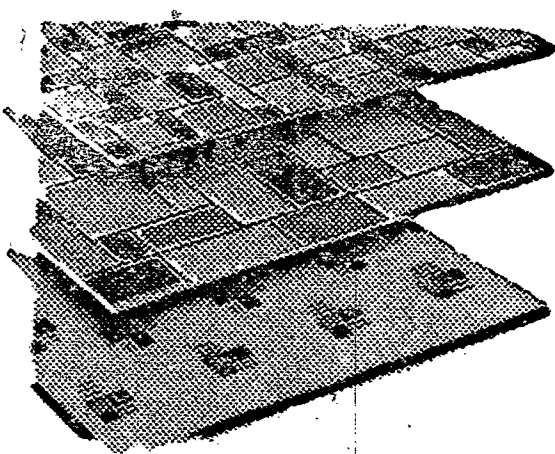

E. J. Lacoste III, son of Mr. and Mrs. E. J. Lacoste, Jr., was awarded third prize in the maskers group, in his impersonation of Robin Hood.

## Little Theatre Announces Cast For "Yes My Darling Daughter"

Urged to Send Membership Dues—Prizes To Be Awarded at Hurricane Party on Display at di Benedetto's

The Little Theatre Chairman of Production, Mrs. Mike Horrocks, has announced the following selections for the cast of "Yes, My Darling Daughter," and wishes to thank all those who were present at the try-outs.

The part of Ellen Murray, "an alert will be played by Blanca Del Rio. And opposite her, the part of Douglas Hall, "an attractive, forceful young man of around twenty-five" will be played by Mark Solomon. Ellen's Mother Ann Murray, a smart, semi-famous newspaper woman and advocate of feminine rights, will be portrayed by Eileen Gleim. Her husband, Lewis Murray, "genial, well-tanned, about forty-eight" will be Adolph Hoefeld. Titus Jaywood, "quietly alert Englishman in his early forties" and former lover of Ann Murray will be Mike Horrocks, and Connie Nevins, "stylish, chic" recent divorcee and "basically gay, affectionate, and fun-loving" will be played by Ursula Bernard. Mrs. Mike Horrocks will direct the play, which promises many amusing and sophisticated situations. Rehearsal was held Wednesday night at the Carroll Avenue playhouse, and the cast will meet for further rehearsals at regular intervals.

The Little Theatre is eager to move into the new playhouse for which all the members have been so actively working, and it may be possible to present the next play there if all membership checks are sent in promptly. Old members from last year are considered as members again for 1948, but there are still some who have not yet mailed their membership checks to Mr. David McDonald, the treasurer.

Will all the old members and the new one too, please try to send their dues in right away so work can progress on the new playhouse. There is much to be done, and progress is at a stand-still until all membership dues are received.

Di Benedetto Grocery Store is displaying in their front window some of the larger and more valuable prizes that have been donated for the Little Theatre Hurricane Party, to be held at the St. Joseph Academy gymnasium on April 3rd. Drawings for the prizes will take place at that time.

Those wishing to make reservations for tables to seat individual groups at the party are urged to do so as soon as possible, as the space and number of tables will be limited, and the members of the committee who are making arrangements for the party must stick to the "first come, first served" policy.

Make your reservations through Mrs. John Bell or Mrs. Cynthia Kernan at the office of Bell & Kernan in the Masonic Temple Building, telephone 774 or 192-W.

### Meeting Called To Formulate Plans For Hospital

A letter signed by five physicians in Hancock County, has been mailed through the Hancock County Chamber of Commerce this week to the various organizations in the County, asking that they send a representative to a meeting to be held at the Court House on Monday, March 8th, at 8:00 p. m. for the purpose of selecting a committee to formulate plans for the building of a hospital.

It is hoped that record attendance will be out for the meeting, as a hospital of sufficient size and with the necessary equipment is recognized as an urgent need for the County.

### HAAS-FARRELL NUPTIALS SUNDAY, FEB. 22, 1948

A wedding of interest to many friends was the one of Miss Ruth Farrell, Gulfport and Sam Haas, Jr., of Kiln, Mississippi, Sunday, February 22.

The bride is the daughter of Mr. and Mrs. William Farrell of Gulfport and the groom, the son of Mrs. Sam Haas, Sr., of Kiln, Miss.

The wedding ceremony took place in the Catholic Rectory at Kiln with Father Toner officiating.

The bride wore a white gabardine suit with navy blue accessories and an orchid corsage.

The bride's maid of honor and only attendant was her sister Miss Joyce Farrell and Don Haas the groom's brother was best man.

After the wedding ceremony a reception was given in the home of the groom's mother Mrs. Sam Haas, Sr.

The table was beautifully decorated with a tier wedding cake, carnations and fern. Throughout the house carnations, smilax, gladiolas and flowering quince added to the loveliness of the occasion.

The couple will spend a short honeymoon in Florida.
